

NBIS Declaration of Commitment

Our Vision Statement

To be recognized as a market leader in specialty construction insurance through customized programs with carriers, trade groups, and distribution partners.

Our Purpose Statement

To be the premier construction risk management company.

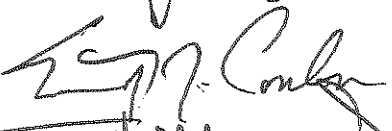

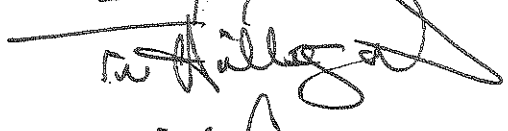

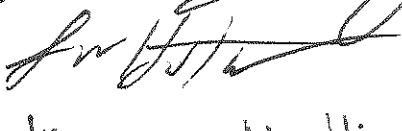

Our Values and Beliefs

Achieving our mission is predicated on our unwavering discipline of the following

- Putting associates, customers, producers, and stakeholders first, in everything we do with transparent communication, integrity, trust, accountability and respect.
- Having a passion in providing the World Class Service that our customers, internal and external, deserve and expect.
- Develop and encourage a high-performance culture that builds synergy across all functional teams.
- Deliver best-in-class results.
- Foster an organizational structure and culture to promote associate involvement, open communication, teamwork and cooperation.
- Provide stakeholders with financial strength and profitability.

Success in our Company will come from our associates and a Culture of Excellence, who in the highest admiration will hold each other accountable to these Values.

We will collectively lead and manage to these values in everything we do...
