

## Maximize Safety and Efficiency with Digital Document Management

### Simplify fleet management and manage operational risk with Fleet Cost & Care's industry-leading software.

#### Streamline Signature and Document Management

- Generate PDF documents (such as quotes and rental agreements) and email for signing directly from DocuSign. Capture electronic signatures from a smartphone or tablet at the beginning and end of a job.
- Use Terms & Conditions templates to make it easier to manage the various types of forms you need for different companies, yards, etc.

#### E-TICKETS ARE:

- Accessible anywhere with Offline Mode
- Automatically emailed to customer once signatures are obtained
- Attachment-friendly for sending lift plans, permits, and more.

#### Help Ensure Compliance with Ease

- Easily require employees to complete and attach essential items like pre-job inspections and site safety checklists before starting work.
- Configure certification requirements to ensure that only employees with the correct credentials are assigned to specific tasks—system will alert you to potential conflicts.

#### Stay On Top of Data and Extend Equipment Life

- Be alerted to coming due and past due certifications
- Stay current with your engine hour, odometer meter, preventive maintenance activities, and inspection schedules.
- 360-degree view of down time history, maintenance and repairs, warranty info, and equipment deficiencies helps you
- ELD and GPS integration enables HOS importing from ELD systems so dispatchers stay compliant when scheduling employees.

**NBIS and FCC help you leverage technology so that you can rest easy knowing you're compliant and covered—and focus on getting the job done.**
